

Mosaic Masterpiece

Architect Antoni Gaudí was known for his colorful mosaic designs and buildings. Read about him in *Gaudí—Architect of Imagination*. Can you decorate the building and create a mosaic masterpiece?

What you will need:

- ◆ Construction paper, magazines, fabric or any other colorful material!
- ◆ Printed activity sheet
- ◆ Glue stick
- ◆ Scissors (with adult supervision)

1. Using the scissors (or with an adult's help) cut your colorful materials into different shapes.
2. Arrange the pieces on your activity sheet.
3. Use the glue stick to attach the materials. For an extra challenge, try to create a pattern or image using the pieces.
4. Hang up and admire your mosaic masterpiece!
